

TECHNICAL BULLETIN

HARD WATER SPOT REMOVER

Thick low drip formula remains on vertical surfaces for easy cleaning. New technology chemically embraces and lifts mineral deposits and protects surface from future water spots. Easy to apply and easy to wipe off.

Part #: M-4716– 16 fl oz

Packaging: 16 fl. oz - 6 per case

Features:

- Quickly removes the toughest hard water spots
- Thick, low drip formula clings to vertical surfaces
- Protects from future water spots

pH: 3.2- 4

Paintable: Yes

Dilution: RTU (Ready to use)

Application Method: Spray and wipe dry

Directions: SHAKE WELL. Treat one section at a time. Spray on surface and let penetrate for 10-20 seconds. Wipe with a clean, high quality 100% terry cloth towel or Meguiar's Ultimate Wipe Micro-Fiber Towel. Turn to a dry side of towel for best results. For the ultimate surface shine and protection, follow with Meguiar's Flagship Premium Marine Wax (No 63).
